- I have worked in the construction field since 1975 and I was a licensed contractor in 1987. I was a Project Construction Manager in Botswana, Africa, and performed seismic bolting upgrades to brick warehouses and apartments and rehabilitation of Craftman historical homes in the Los Angeles area. I had let my contractor license lapse when I started doing home inspections in 1992.
- I have a Bachelor of Science Degree in Management from California State University of Long Beach and Master of International Management from American Graduate School of International Management.
- I have attended educational CREIA chapter meetings since 1992 and I have attended a number of CREIA and ASHI Educational Conferences for the past 8 years. I have obtained over the required 30 Continuing Education Credits per year as required by CREIA and ASHI.
- I have given educational seminars at a number of CREIA chapters educational meetings.
